B Smriti Rao
Software Engineer III

Objectives

Looking for a continuous learning environment and professional growth in an organization where my skills are adequately utilized.
I wish to contribute the skills that I have learned over the years for the betterment of the organization.

About Me

I am a Software Engineer III with a total experience of 5 years working with FactSet Systems India Pvt Ltd.
I am a self-motivated and adaptable kind of individual who yearns to get her hands on the latest trends in technology.
I am a quick learner and a team player who is neither afraid to take lead nor afraid to ask for help in case I get stuck anywhere.
I possess good communication and interpersonal skills and can effectively deal with teammates and clients.
Always willing to help others in need and motivate them and boost their morale.
I like to work as a team and look forward to working with teams where I can contribute with my expertise as well as learn from.
